5) Bayer Foundations Fellowship Program

The international fellowship program of the Bayer Science & Education Foundation, the foundation of Bayer, the German company in the pharmaceutical sector, supports extraordinarily gifted talents in order to help them realize individual study and research projects abroad. Scholarships are granted exclusively to students from German-speaking countries wishing to study abroad, or to foreign students who are interested in a study project in Germany.

is funded by

Deutscher Akademischer Austauschdienst
German Academic Exchange Service

with financial support from

Federal Ministry
for Economic Cooperat
and Development

It is only possible to apply for projects (for example the Master Thesis) or Summer Schools, it is not granted for complete duration of studies (i.e., not for all 4 semesters).
